Together with the claims investigated in-house, the Board dismissed a total of 53 claims and awarded a total of 18 claims for a total amount awarded of \$36,233.02 in February, 2012.

The Executive Director informed the Board about her on-air interview with investigative reporter Duane Pohlman of WLKY on pot holes and our process and responsibilities. The Director wanted the Board to know and be complimented by how hard the Board staff worked to gather and provide the background information, understanding the sore deficiencies of our current tracking system.
